		<u>4 - First Aid Measures</u>				
Eyes:	Immediately flush with gent Get medical attention if irrit	tle but large stream of water for 15 min, lifting upper and lower eyelids occasionally. ation develops.				
Skin:		bap and water. If itching or redness develops, seek medical attention. Contaminated dimmediately and washed before reuse. Contaminated shoes should be discarded.				
Inhalation: Move the person to fresh air. If breathing becomes difficult, contact a physician.						
Ingestion:	Do not induce vomiting. If la you feel unwell.	arge amounts were swallowed, give water to rinse mouth and get medical attention if				
		5 - Firefighting Measures				
Extinguishing	Media: inguishing Media:	Water spray, dry chemical, alcohol foam, or carbon dioxide. None known.				
	tive Equipment for	Self-contained breathing apparatus and protective clothing when fighting any chemical fire.				
Unusual Fire & Explosion Hazards:		In case of fire, containers may explode from internal pressure. Cool with water. May emit toxic fumes of CO and CO_2 under fire conditions.				
	<u>6</u>	6 - Accidental Release Measures				
Personal preca	autions:	Avoid breathing dusts of product. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. Wear protective gloves/eye protection.				
Environmental	precautions:	P273: Avoid release to the environment Limit leakage with earth or sand. Do not discharge into the drains/surface water/groundwater. Dispose of absorbed material in accordance with local, state and federal regulations.				
Methods for Co	ontainment/Cleaning Up:	Take up mechanically (e.g. shovel, broom). Dispose of material in accordance with local, state, and federal regulations.				
		7 - Handling and Storage				
Handling:		Avoid creating dusts. P261: Avoid breathing dusts of product P262: Do not get in eyes, on skin, or on clothing P264: Wash thoroughly after handling P280: Wear protective gloves/eye protection				
Storage:		P402+404: Store in a dry place. Store in a closed container P403+233: Store in a well ventilated place. Keep container tightly closed				
Special Packag	ging Requirements:	None known.				
Incompatible M Protection:	laterials or Fire/Explosion	Strong oxidizers.
